The Role

We are currently looking to recruit a Regional Executive in Cardiff, to be responsible for appraising, negotiating and implementing funding to businesses across our Wales region, to assist in managing Cardiff Bay Business Centre and Ebbw Vale Innovation Centre, to undertake marketing and business development activities and to assist the Area Manager in implementing UKSE's policy of economic regeneration within the Region.

Within the role, your responsibilities will include but not be limited to:

- appraising and analysing investment opportunities by interview with client company directors and advisors; by appropriate due diligence investigations; and preparing sanction papers for presentation to the Area Manager or full Investment Committee.
- promoting and operating the [UKSE Support Programme for Wales](#)
- promoting and marketing UKSE within the region to ensure a good flow of investment enquires and promoting the continued good name of UKSE and our parent Tata Steel.
- assisting with the achievement of the Region's economic regeneration aspirations and in doing so liaising with government bodies, development agencies, local authorities etc.
- ensuring that client companies are monitored so that any problems or opportunities are brought to the attention of the Area Manager for attention.
- assisting client companies to achieve their objectives and work towards a successful exit for UKSE investment.

- assisting with the maintenance of appropriate investment records and preparing reports accordingly.
- operating within the core values of UKSE – Excellence, Understanding, Continuous Improvement, Responsibility, Integrity and Unity
- deputising for the Area Manager as and when appropriate.
- ensuring the smooth running of both business centres and providing administrative and management support as needed.
- undertaking any ad hoc exercises and duties at the request of the Area Manager

What we're looking for

You will have a flexible, team-focused approach and will be able to build strong relationships across a wide range of stakeholders. You will have excellent communication skills; often communicating with internal and external interested parties on a range of business matters.

To be considered for this position, you will have a good understanding of business, including strategic, commercial, and financial matters. Ideally you will have a professional business finance qualification, several years working with a variety of businesses post-qualification and some business development experience. Those without a business finance qualification (e.g. accountancy, banking) will be considered if strong in other areas.

You will have an inquisitive mind who can demonstrate an ability to identify and assess investment opportunities for UKSE, interrogating business plans and supporting companies as they grow.

You will have a good knowledge of the regional economy and a strong marketing and networking ability.

You will be someone who wants to make a difference in our local communities and be passionate about supporting small business.

Benefits

We offer employees significant benefits packages. For this role, you will benefit from:

- A market competitive salary
- Company Car or cash alternative
- Bonus scheme (up to 20% of basic salary)
- Defined contribution pension schemes (10% employer contribution / 6% employee contribution)
- Annual Pay Review
- 35 day holiday *including* Bank Holidays

Closing Date for Applications: 31st October 2024
